Period: 07/01/2025 – 06/30/2026
Source of Funds: Federal – Other

Purpose: The purpose of the Comprehensive Literacy State Development Grant (CLSD) grant is to award competitive grants to LEAs to advance literacy skills, including pre-literacy skills, reading, and writing, for all children from birth through grade 12, with a special emphasis on disadvantaged children, including children living in poverty, English Learners, and children with disabilities.

Focus Area: Opportunity to provide additional and enhanced literacy efforts to build the capacity of local leaders, improve the practice of teachers, and increase literacy outcomes for children.

Basis of Allocation: This is a supplemental allocation of the CLSD 3.0 (2024) grant. CLSD 3.0 was awarded on a competitive basis through application reviews using a rubric. The top 26 percent of LEAs according to scored applications were awarded funds to implement literacy initiatives outlined in their applications. Funds are allocated by grade band in which systems applied. Birth-5 received a base allocation of \$100,000 plus \$25,000 per site, K-5 received a base allocation of \$100,000 plus \$25,000 per site, 6-8 received a base allocation of \$110,000 plus \$25,000 per site, and 9-12 received \$110,000 plus \$25,000 per site each year for Year 1.

Amount: \$1,000,000.00
Period: 07/01/2025 – 06/30/2026
Source of Funds: State General Fund

Allocation: Early Childhood Education Fund
Type: Competitive
Amount: \$29,766,741.00
Period: 07/01/2025 – 06/30/2026
Source of Funds: State General Fund

(Motion continues on page 22)

Purpose: These funds are allocated to serve children ages birth to three years old in tuition-free child care seats, based on family eligibility aligned with the Child Care Assistance Program (CCAP). The Louisiana Early Childhood Education (ECE) Fund was established by the Louisiana Legislature during the 2017 Regular Legislative Session, and funding sources were identified and dedicated to the ECE Fund during the 2019 Regular Legislative Session. The ECE Fund is intended to incentivize local investment in and fundraising for early childhood care and education by providing a dollar-for-dollar state match for locally-generated funds.

Basis of Allocation: Community Network Lead Agencies (CNLAs) applied for the ECE Fund State Match in September 2024, claiming the amount of local funding they expected to raise by or before January 2025. Each CNLA was required to submit proof of their raised funds to the Early Childhood Strategy Team. Source of Funds:	Federal -Other

Purpose: In September 2023, the LDOE was awarded a \$55.5 million federal Charter Schools Program (CSP) grant to support the Louisiana charter school movement. Over the five-year project period, the LDOE will support the addition of over 5,000 seats at 25 new, expanding, or replicating charter schools that meet grant objectives and priorities.

Basis of Allocation: Subgrant applications were received by the LDOE in March of 2025. All applications were subject to a technical and a quality review by a peer review team. - 7.2.35 On motion by Mr. Berken, seconded by Ms. Champagne, the Board approved the following allocation:

Allocation: Ready Start Network Lead Agency
Type: Competitive
Amount: \$4,074,500.00
Period: 07/01/2025 – 06/30/2026
Source of Funds: Federal – CCDF

Purpose: Louisiana seeks to strengthen its early childhood care and education system by formalizing local governance in community networks. The state acknowledges that communities, rather than the state, are better equipped to address the distinct early childhood care and education needs of their families and children. The funding will support the development and continuation of five Cohorts of Ready Start Networks, who will create blueprints, recruit new stakeholders to their coalition, form local governance structures, and develop new sustainability and fundraising strategies.

Basic of Allocation: Recipients of this funding were selected in a competitive process. There are 41 Ready Start Networks that will continue to pursue this work in the 2025-2026 academic year.

- 7.2.36 On motion by Mr. Berken, seconded by Ms. Champagne, the Board approved the following allocation:

Allocation: School Redesign (Title I Grants to Local Education Agencies)
Type: Competitive
Amount: \$351,576.00
Period: FY23 funds: 04/19/2024 – 09/30/2025
FY24 funds: 04/19/2025 – 09/30/2026
Source of Funds: Federal – Other

Purpose: The Every Student Succeeds Act (ESSA) requires school systems to build plans to improve struggling schools. The state must use seven percent of the state's Title I funds to support high-quality improvement plans. In Louisiana, these funds will be competitively awarded to school systems that build the strongest plans for improvement.

(Motion continues on page 24)

Basis of Allocation: ESSA requires that local school systems create a plan to improve the performance of students in persistently struggling schools. ESSA also provides school improvement funding to implement state-approved plans in identified struggling schools. The LDOE staff reviewed applications from eligible school systems and determined allocations based on the quality of each plan.

Recipients of school improvement funding must comply with all terms of the grant, including implementing all CIR/UIR-Academic approval and funding criteria as identified in the 2025-2026 LDOE School System Planning Workbook.

LEAs that do not meet the requirements of the grant and the implementation timeline will forfeit these school improvement allocations.

The 2025-2026 Strong School Systems Initiative provides funds for both Cohort 6: Strategic Planning and for implementation/progress monitoring support. Through collaborative relationships between the LDOE, expert, local, and national partners, as well as school system leadership teams, the approach toward systemic improvements will include support of school systems as they create, implement and monitor a strong strategic plan driven by a clear vision and strategic direction.

Basis of Allocation: Recipients were awarded funds based on a combination of funding availability and responses provided to the Strategic Plan or Implementation/Progress Monitoring Support items in the 2025-2026 Super App.
