Subchapter A. The Educational Leadership Certificate

§1503. Introduction

A. The educational leadership certification structure provides for four levels of leader certification: teacher leader; educational leader level 1; educational leader level 2; and educational leader level 3. The teacher leader certificate is an option for a teacher to be identified as a teacher leader and is not a state required credential for a specific administrative position. The educational leader level 1 certificate is an entry-level certificate for individuals seeking to qualify for school and/or district leadership positions such as assistant principals, principals, parish or city supervisors of instruction, supervisors of child welfare and attendance, special education supervisors, or comparable school/district leader positions. An individual advances from a level 1 to a level 2 certificate after successfully meeting standards of effectiveness for three years pursuant to Bulletin 130 and R.S. 17:3902, and completing the required years of experience. The level 3 certificate qualifies an individual for employment as a district assistant superintendent or superintendent. The LDOE will issue a letter of eligibility for an EDL certificate to requesting educators not currently serving in an educational leadership role.

B. Educational leadership preparation programs and induction programs must be aligned with state and national standards in accordance with LAC 28:CXXXVII.301 in Bulletin 125.

C. Medical Excuse and Exceptions. Exceptions to policy will be considered in the case of serious medical condition or unavailability of required coursework or exams, when not in violation of law. When serious medical problems of the teacher or immediate family exist, a doctor statement is required with a letter of assurance from the teacher that the unmet policy requirements will be completed within a specified time period, as determined by the LDOE. The final authority for approval and policy flexibility is at the discretion of the LDOE.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6, R.S. 17:7(6), 17:8.1-8.4, and R.S. 17:3902.

A. The EDL 1 certificate is needed for school and district educational leadership positions such as assistant principal, principal, parish or city supervisor of instruction, supervisor of child welfare and attendance, special education supervisor, or comparable school/district leader positions. The EDL certificate is issued upon the request of the LEA upon employment to serve as an educational leader. An EDL 1 certificate may be obtained through either a graduate degree pathway or through one of three alternate pathways.

Chapter 21. State Guidelines Related to Qualifications for Paraprofessionals

§2103. Paraprofessional Qualifications

A. Definition of Paraprofessional

1. For the purposes of title I, part A, a paraprofessional is an employee who provides instructional support in a program supported with title I, part A funds including paraprofessionals working in any of the following capacities:

- a. providing one-on-one tutoring if such tutoring is scheduled at a time when a student would not otherwise receive instruction from a teacher;
- b. assisting with classroom management, such as organizing instructional and other materials;
- c. providing instructional assistance in a computer laboratory;
- d. conducting parental involvement activities;
- e. providing support in a library or media enter;
- f. acting as a translator; or
- g. providing instructional support services under the direct supervision of a teacher [title I, section 1119(g)(2)].

2. Individuals functioning as interpreters or transliterators, who are providing communication assistance only and not instructional support, are not considered paraprofessionals under Title I if the individual possess one of the following educational interpreter certificates:

- a. ancillary provisional certificate; or
- b. qualified ancillary certificate.

3. Individuals who work in food services, cafeteria or playground supervision, personal care services, non-instructional computer assistance, and similar positions are not considered paraprofessionals under title I.

C. Requirements for Title I paraprofessionals. All Title I paraprofessionals hired on or before January 8, 2002, and working in a program supported with title I funds must have met the following requirements by January 8, 2006. All title I paraprofessionals hired after January 8, 2002, must meet the following requirements to be hired:

1. possess a secondary school diploma or recognized equivalent including paraprofessionals who serve as translators or who conduct parental involvement activities; and
2. satisfy one of the following:
 - a. pass a state approved assessment for paraprofessionals;
 - b. obtain an associate (or higher) degree at a higher education institution; or
 - c. complete two years of full-time study at an institution of higher education.

D. Louisiana Pathways for Paraprofessionals to Meet Federal Requirements. The U.S. Department of Education specifies that paraprofessionals should be able to demonstrate knowledge of and the ability to assist in instruction in the areas of reading, writing, and math, or in school readiness. Paraprofessionals are expected to have a working knowledge of the academic areas. Louisiana offers all paraprofessionals three ways to meet federal requirements.

1. State Test. A paraprofessional who passes the Educational Testing Service (ETS) para-pro assessment will meet state and federal requirements to be classified as a highly qualified paraprofessional. A paraprofessional who is not new to the profession, passes the ACT work keys assessment, and has successful observations will meet state and federal requirements to be classified as a highly qualified paraprofessional.

2. Two Years of Full-Time Study (48 Semester Credit Hours). State, district, and post-secondary education personnel collaborated in identifying course requirements for paraprofessionals within a state approved institution of higher education that would assist paraprofessionals when instructing students in the areas of reading, writing, math, and school readiness.

3. Associate Degree. State, district, and post-secondary education personnel collaborated in identifying course requirements for paraprofessionals within a state-approved institution of higher education that would assist paraprofessionals when instructing students in the areas of reading, writing, math, and school readiness.

E. State-Approved Institutions of Higher Education. State-approved higher education institutions may offer coursework to paraprofessionals. To be approved by the state, institutions must be accredited by a nationally recognized

accrediting entity or granted pre-accreditation status. Newly developed public institutions that are formally seeking accreditation may obtain pre-accreditation status from the state. A list of approved institutions is available from the LDE upon request.

F. Louisiana Definition: Highly Qualified Paraprofessional

1. New to the Profession. A paraprofessional must satisfy one of the following:

- a. passed the ETS para-pro assessment;
- b. has 2 years of full-time study (48 semester credit hours) from the recommended list of state-approved institutions of higher education or from an institution of higher education accredited in accordance with 34 CFR 602. A total of 15 hours of general education course requirements include English composition (3), English/reading (6), and mathematics (6). For the remaining 33 hours of coursework, acceptance of credit for a course shown on a transcript from an approved higher education institution is at school district discretion in addressing the needs of the specific job; or
- c. has associate of arts or associate of applied science degree from a state-approved institution of higher education or from an institution of higher education accredited in accordance with 34 CFR 602.

2. Not New to the Profession. A paraprofessional must satisfy one of the following:

- a. passed the ETS para-pro assessment;
- b. has 2 years of full-time study (48 semester credit hours) from the recommended list of state-approved institutions of higher education or from an institution of higher education accredited in accordance with 34 CFR 602. A total of 15 hours of general education course requirements include English composition (3), English/reading (6), and mathematics (6). For the remaining 33 hours of coursework, acceptance of credit for a course shown on a transcript from an approved higher education institution is at school district discretion in addressing the needs of the specific job;

- d. has successfully completed the ACT, Inc., work keys skills assessments and on-the-job observation.
