**Chapter 15. Administrative and Supervisory Credentials**

**Subchapter A. The Educational Leadership Certificate**

**§1503. Introduction**

A. The educational leadership certification structure provides for four levels of leader certification: teacher leader; educational leader level 1; educational leader level 2; and educational leader level 3. The teacher leader certificate is an option for a teacher to be identified as a teacher leader and is not a state required credential for a specific administrative position. The educational leader level 1 certificate is an entry-level certificate for individuals seeking to qualify for school and/or district leadership positions such as assistant principals, principals, parish or city supervisors of instruction, supervisors of child welfare and attendance, special education supervisors, or comparable school/district leader positions. An individual advances from a level 1 to a level 2 certificate after successfully meeting standards of effectiveness for three years pursuant to Bulletin 130 and R.S. 17:3902, and completing the required years of experience. The level 3 certificate qualifies an individual for employment as a district assistant superintendent or superintendent. The LDOE will issue a letter of eligibility for an EDL certificate to requesting educators not currently serving in an educational leadership role.

B. ...

C. Medical Excuse and Exceptions. Exceptions to policy will be considered in the case of serious medical condition or unavailability of required coursework or exams, when not in violation of law. When serious medical problems of the teacher or immediate family exist, a doctor statement is required with a letter of assurance from the teacher that the unmet policy requirements will be completed within a specified time period, as determined by the LDOE. The final authority for approval and policy flexibility is at the discretion of the LDOE.

## Chapter 15. Administrative and Supervisory Credentials

### Subchapter A. The Educational Leadership Certificate

#### §1503. Introduction

A. The educational leadership certification structure provides for four levels of leader certification: teacher leader; educational leader level 1; educational leader level 2; and educational leader level 3. The teacher leader certificate is an option for a teacher to be identified as a teacher leader and is not a state required credential for a specific administrative position. The educational leader level 1 certificate is an entry-level certificate for individuals seeking to qualify for school and/or district leadership positions such as assistant principals, principals, parish or city supervisors of instruction, supervisors of child welfare and attendance, special education supervisors, or comparable school/district leader positions. An individual advances from a level 1 to a level 2 certificate after successfully meeting standards of effectiveness for three years pursuant to Bulletin 130 and R.S. 17:3902, and completing the required years of experience. The level 3 certificate qualifies an individual for employment as a district assistant superintendent or superintendent. The LDOE will issue a letter of eligibility for an EDL certificate to requesting educators not currently serving in an educational leadership role.

B. ...

C. Medical Excuse and Exceptions. Exceptions to policy will be considered in the case of serious medical condition or unavailability of required coursework or exams, when not in violation of law. When serious medical problems of the teacher or immediate family exist, a doctor statement is required with a letter of assurance from the teacher that the unmet policy requirements will be completed within a specified time period, as determined by the LDOE ~~one year of the exception being granted~~. The final authority for approval and policy flexibility is at the discretion of the LDOE.

AUTHORITY NOTE: Promulgated in accordance with R.S. 17:6(A)(10), (11), and (15), 17:7(6), 17:10, 17:22(6), 17:391.1-391.10, 17:411, and 17:3902.

As applicable to certificate validity, the term disuse is defined as a period of five consecutive calendar years in which a certificated individual is not a teacher of record for at least one semester, or 90 consecutive days. If such a period of disuse occurs, the certificate has lapsed. *Lapse* does not apply to certificates renewable via the standards of effectiveness pursuant to Bulletin 130 and R.S. 17:3902.

During the reactivated period the holder must earn effective ratings in accordance with LAC 28:CXLVII Bulletin 130, for at least three years during the five-year reactivated period. Once three effective evaluations are earned, the certificate will be reinstated to lifetime validity. The request for reinstatement must be submitted directly to the LDOE by the Louisiana employing authority. SUMMARY

In accordance with Section 961 of Title 49 of the Louisiana Revised Statutes, there is hereby submitted a fiscal and economic impact statement on the rule proposed for adoption, repeal or amendment. THE FOLLOWING STATEMENTS SUMMARIZE ATTACHED WORKSHEETS, I THROUGH IV AND WILL BE PUBLISHED IN THE LOUISIANA REGISTER WITH THE PROPOSED AGENCY RULE.

I. ESTIMATED IMPLEMENTATION COSTS (SAVINGS) TO STATE OR LOCAL GOVERNMENTAL UNITS (Summary)

There are no anticipated costs or savings to state or local governmental units as a result of the proposed rule change. The proposed rule change provides for: adoption of a reading exam to reduce number of tests required for teacher certification; adoption of a computer science exam in response to recommendation of the Computer Science Education Advisory Commission; alignment of bulletins with legislation; removal of duplicative language; reorganization of information; updating requirements for foreign equivalency transcripts; aligning military out-of-state certification issuance with legislation; removing unused or obsolete Extended Endorsement License and Pre-Practitioner Level certification; updating Out-of-Field Authority to Teach renewal requirements; adding resident certificates for use in early learning centers; clarifying Early Childhood Ancillary Certificate language and non-practicing status for individuals called to military duty; removing certification duplication and reducing bureaucracy for areas in which a license is issued by another authorizing board; adding artist, talented, and library endorsements; removing Continuing Learning Unit requirements and reinstating coursework requirements; and technical edits.

II. ESTIMATED EFFECT ON REVENUE COLLECTIONS OF STATE OR LOCAL GOVERNMENTAL UNITS (Summary)

The proposed rule change may result in a decrease in the number of certification applications received by the Louisiana Department of Education (LDOE), resulting in a reduced collection of the associated \$50 certification fee. The number of applications that will not be received is indeterminable.

III. ESTIMATED COSTS AND/OR ECONOMIC BENEFITS TO DIRECTLY AFFECTED PERSONS, SMALL BUSINESSES, OR NON-GOVERNMENTAL GROUPS (Summary)

The proposed rule change will decrease the need for application fees paid by educators submitting applications for initial, renewal, or advanced credentials and will reduce redundant licensure for professional areas. More potential teachers will be eligible for certification through expanding the Temporary Employment Permit, but some educators that currently have to submit certification applications to LDOE will no longer be required to do so, like physical and occupational therapists who are already licensed by their professional boards. LDOE expects proposed rule changes will result in a net decrease in certification applications received.

Further, the addition of the reading exam reduces the number, and thus the cost, of required tests necessary for elementary certification. The Praxis Teaching of Reading exam cost is \$156, and the Praxis Elementary Multi Subject exam cost is \$180 combined, or \$64 for each of the four individual subtests. Educators will have the option to meet the reading exam requirement of R.S. 17:8.1 through the reading portion of the Multi Subject exam or through the Teaching of Reading exam, potentially costing an educator \$180 instead of \$336 for the content exams required for some certification areas. This exam may also be used for educators moving from upper grades content areas to grades K-3 as a more cost-effective way to meet the reading exam requirement.

The computer science exam addition will provide a more expeditious route to computer science certification, which currently requires the accumulation of 30 credit hours of coursework. This exam cost is currently set at \$130.

Finally, revisions to certification reciprocity will grant military families transferring into Louisiana an expedited pathway to state credentialization.

IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT (Summary)

The proposed rule change may have an effect on competition and employment by facilitating computer science certification and by providing more streamlined and cost-effective pathways to certification for educators.

**FISCAL AND ECONOMIC IMPACT STATEMENT  
FOR ADMINISTRATIVE RULES**

The following information is required in order to assist the Legislative Fiscal Office in its review of the fiscal and economic impact statement and to assist the appropriate legislative oversight subcommittee in its deliberation on the proposed rule.

- A. Provide a brief summary of the content of the rule (if proposed for adoption, or repeal) or a brief summary of the change in the rule (if proposed for amendment). Attach a copy of the notice of intent and a copy of the rule proposed for initial adoption or repeal (or, in the case of a rule change, copies of both the current and proposed rules with amended portions indicated).

The proposed rule change provides for: adoption of a reading exam to reduce number of tests required for teacher certification; adoption of a computer science exam in response to recommendation of the Computer Science Education Advisory Commission; alignment of bulletins with legislation; removal of duplicative language; reorganization of information; updating requirements for foreign equivalency transcripts; aligning military out-of-state certification issuance with legislation; removing unused or obsolete Extended Endorsement License and Pre-Practitioner Level certification; updating Out-of-Field Authority to Teach renewal requirements; adding resident certificates for use in early learning centers; clarifying Early Childhood Ancillary Certificate language and non-practicing status for individuals called to military duty; removing certification duplication and reducing bureaucracy for areas in which a license is issued by another authorizing board; adding artist, talented, and library endorsements; removing Continuing Learning Unit requirements and reinstating coursework requirements; and technical edits.

- B. Summarize the circumstances, which require this action. If the Action is required by federal regulation, attach a copy of the applicable regulation.

Act 448 of the 2022 Regular Session requires teachers of students in kindergarten through third grade to pass an assessment aligned with the science of reading. The updated literacy examination will satisfy that requirement by updating an existing assessment instead of requiring an additional one.

Act 541 of the 2022 Regular Session created the Computer Science Education Advisory Commission to make recommendations for the expansion of computer science education efforts in Louisiana. One recommendation of the commission was to allow a passing score on the Praxis Computer Science assessment to satisfy requirements for certification as a computer science teacher.

Additional proposed changes are made to streamline processes, make technical edits, and improve the operational efficiency of the teacher certification process.

- C. Compliance with Act 11 of the 1986 First Extraordinary Session

- (1) Will the proposed rule change result in any increase in the expenditure of funds? If so, specify amount and source of funding.

No

- (2) If the answer to (1) above is yes, has the Legislature specifically appropriated the funds necessary for the associated expenditure increase?

(a) \_\_\_\_\_ Yes. If yes, attach documentation.

(b) \_\_\_\_\_ NO. If no, provide justification as to why this rule change should be published at this time
