FISCAL AND ECONOMIC IMPACT STATEMENT
FOR ADMINISTRATIVE RULES

The following information is required in order to assist the Legislative Fiscal Office in its review of the fiscal and economic impact statement and to assist the appropriate legislative oversight subcommittee in its deliberation on the proposed rule.

- A. Provide a brief summary of the content of the rule (if proposed for adoption, or repeal) or a brief summary of the change in the rule (if proposed for amendment). Attach a copy of the notice of intent and a copy of the rule proposed for initial adoption or repeal (or, in the case of a rule change, copies of both the current and proposed rules with amended portions indicated).

The proposed revisions update and align Bulletin 746 – *Louisiana Standards for State Certification of School Personnel* and Bulletin 996 – *Standards for Approval of Teacher and/or Educational Leader Preparation Programs* to correct misalignments that have recently prevented issuance of initial certifications for educators completing both traditional and alternative teacher preparation programs. The revisions include that educators obtain a pre-service certificate while being prepared as a teacher, are mentored as part of the pre-service teacher preparation, and comply with requirements for certification for both in-state and out-of-state residencies. These requirements for initial certification have already been in practice; the proposed revisions align policy across Bulletins.

- B. Summarize the circumstances that require this action. If the Action is required by federal regulation, attach a copy of the applicable regulation.

The proposed revisions align policy regarding issuance of teacher certification with policy regarding teacher preparation programs to ensure that teachers completing these programs will be able to receive certification.

- C. Compliance with Act 11 of the 1986 First Extraordinary Session.

1. Will the proposed rule change result in any increase in the expenditure of funds? If so, specify amount and source of funding.

2. If the answer to (1) above is yes, has the Legislature specifically appropriated the funds necessary for the associated expenditure increase?
