

NOTICE OF INTENT

Board of Elementary and Secondary Education

Part LXV. Bulletin 106—Agriculture Education Content Standards Curriculum Framework (LAC 28:LXV.109).

In accordance with the provisions of R.S. 17:6(A)(10) and the Administrative Procedure Act (APA), R.S. 49:953(B)(1) et seq., the Board of Elementary and Secondary Education proposes to amend LAC 28:LXV: in Bulletin 106 – *Agriculture Education Content Standards Curriculum Framework*. The aforementioned revisions establish and align advisory councils across all bulletins, in accordance with authorizing statute R.S. 17:185, and in compliance with Louisiana Open Meetings Law and meeting procedures outlined in Robert's Rules of Order. The revision, part of an effort to codify all BESE advisory councils in policy, to include processes and procedures, will eliminate the need for bylaws for each individual council and standardizes operational guidelines.

Title 28

EDUCATION

Part LXV. Bulletin 106—Agriculture Education Content Standards Curriculum Framework

Chapter 1. General

§109. Agricultural Education Commission

A. Functions. The function of an advisory council is to advise the board, directly or through its committees, in the discharge of policymaking, supervisory control, and budgetary duties and responsibilities. Specific functions of an advisory council are determined by the establishing statute or policy. Advisory councils deal exclusively with matters referred by the board or the LDE. Matters referred to advisory councils include external input regarding funding decisions, policy matters reviewed for local impact, bulletin revisions containing policies or supervisory controls, and matters particular to a council for which it was created. The LDE staff provides the board with a statewide and nationwide perspective on certain issues, while advisory councils respond from a local or community perspective.

B. Composition. Unless otherwise provided by state or federal law, each advisory council of the board is created by board policy. The policy determines the size of the council membership; the appointing authority; the persons, organizations, affiliations, or interest groups to be represented on a council; and the length of term.

C. Agricultural Education Commission (AEC) Established

1. Authority per R.S. 17:185.4 and BESE policy.

2. Function and Responsibilities:

a. Program Evaluation. Assist the state superintendent of education in the ongoing evaluation of agricultural education programs in elementary and secondary schools.

c. Delivery System. Continually review the state agricultural education delivery system to provide guidance and recommendations to the LDE regarding content standards, curricula, agriculture focused IBCs, educator professional development, and strategies to promote agricultural literacy and student awareness of educational and career opportunities in agricultural fields.

d. Facilitate the development of partnerships and collaboration with agriculture-based industries and stakeholders.

e. Provide guidance and support toward the development and establishment of agriculture immersion programs in elementary and secondary schools that allow students to master an understanding of the importance of agriculture, related fields, and occupations to the state, nation, and world.

3. The membership of the AEC shall consist of seventeen ex-officio representatives from K-12 and postsecondary education, state agencies, and organizations related to agriculture and agriculture education, or a designee, as follows:

Upon retirement, employment in a different capacity, or otherwise failure to maintain eligibility requirements, the member shall become ineligible to continue to serve and shall be replaced.

2. Vacancies. A vacancy in an appointed position shall occur if an appointee, for any reason, is unable to serve the full extent the appointed term. When known prior to an agenda being posted that a quorum is unlikely, the council chair shall be so notified and the meeting may be canceled.

6. Action/Quorum. Official commission action requires that matters submitted by motion are duly seconded. The chair states the motion and calls for discussion and public comment. All official actions of the group shall require the favorable vote of a simple majority of the members present. Proxies are not included for the purpose of establishing a quorum.

7. Voting. All voting shall be by voice vote, except when taken by roll call vote or when a member requests that his/her vote be recorded in the official record.
